

Great News... CFCA Members now qualify for a Free NCM Membership

Since CFCA is a Business/Club Member of the National Corvette Museum, the NCM is now providing a FREE eMembership for one year for each CFCA member that is not already a member of the NCM.

NCM eMemberships provide a 5% store discount, subscription to NCM eNews and a eMembership card. This offer is available to new NCM members only and not valid on upgrades or renewals. And of course, you must be a current CFCA Member to take advantage of this offer.

CFCA Members can sign up online at www.corvettemuseum.org/etrial using the discount password **vette2016** (all lower case). Complete the online application form and enter "Central Florida Corvette Association" as the Affiliate Club. Upon receipt the NCM will verify your eligibility and send your Electronic membership card in 4-6 weeks.

No more excuses. Now you can join the NCM for free. Do it today and let's get CFCA to 100% NCM Membership Status!

Seriously. How cool is that? :)

P.S.: Already an NCM eMember or you'd rather have a *full* NCM Membership? No worries, CFCA Members already qualify for a 25% discount on full individual or family level memberships. Sorry, no discounts on NCM Lifetime Memberships. Questions? Contact the NCM Membership Director, Stephanie Morrill, at 800-53-VETTE. Tell her you are a CFCA Member and she'll take good care of you!
